## MEMORANDUM FOR THE RECORD

The following statement was phoned to [REDACTED] in Boston on Friday morning, 24 November, for him to relate to the Placement Director at Brown University:

25X1A9a

1. The CIA has decided to postpone its interviewing of Brown University students in Providence, scheduled for next week, until a later date.

2. [REDACTED] advised that since it was too late to get in touch with the students scheduled for interviews, he would have GSA in Providence post a notice to the effect that the Agency representative would contact the students who were scheduled for interviews. He will have the Placement Director mail to him the resumes and, after sorting out the SDS ringers, make individual interview arrangements for the others.
